Niagara-on-the-Lake Extends Facility Closures and Event Cancellations Until June 30

For Immediate Release

April 3, 2020

-Niagara-on-the-Lake- As the State of Emergency continues in Niagara-on-the-Lake, the Town is extending the closure of all Town-owned facilities and the cancellation of in-person events, meetings and programming until June 30, 2020. The Senior Citizen Strawberry Social, typically held in June, will therefore be cancelled and the Step Challenge will be postponed until further notice.

This decision is necessary based on the demographic of our population and the significant risk a human health emergency, such as COVID-19, presents to our community. These closures and cancellations will help to limit the spread of this virus in Niagara-on-the-Lake and protect the health and well-being of our residents and staff.

With the number of confirmed cases continually increasing in Niagara, it is more important than ever to self-isolate, practice physical distancing and stay home whenever possible.
